Create the Future You Want To Work In

Josh Allan Dykstra is the world's foremost practitioner on the Future Of Work and Human Energy™, helping audiences create the future they want to work in by reimagining the way organizations and people interact.

As a musician-turned-tech founder, Josh offers a refreshing perspective on “HR,” inspiring influential leaders to think bigger and challenge the status quo. Over the past two decades, Josh has served a client list of companies (logos below) that collectively employ over a million people. Josh is the founder and CEO of The Work Revolution, and his articles and ideas have been featured by Fast Company, Forbes, The Huffington Post, and Business Insider.

He holds an MBA in Executive Leadership from the University of Nebraska-Lincoln and his latest book, *Igniting the Invisible Tribe: Designing An Organization That Doesn't Suck*, is available on Amazon and Audible.
